## A Message from the President

Dear Mid-Coast Member:

I hope you have marked your calendars and will not be missing the historic 60th anniversary affair! The *2011 SGBI Annual Meeting and International Symposium* is scheduled for March 3rd—5th at the Crowne Plaza—Medical Center near Reliant Park, during the Houston Livestock Show & Rodeo. This year's event is being hosted by the Mid-Coast Affiliate. The Annual Meeting will include workshops from advertising, photography, and print layout to beef advocacy and social media to livestock & equipment theft prevention to grilling beef, as well as the much anticipated International Forum. Each social during the two and one-half days will offer an international flair as we continue to "connect our breed".

Also during the Annual Meeting is "The 2011 International Super Sale". This year's all haltered cattle sale will be held Friday, March 4th at 5 PM in the **Houston Livestock Show & Rodeo Reliant Center**, (the same location as the stalling of open show cattle) and is being Co-Sponsored by SGBI. The annual aisle party, "Fiesta" held prior to the sale, will begin at 3:30 pm in the aisles. Sale Chairman, Jerome Urbanosky has gathered an excellent set of consignments that would compliment any herd.

Several weeks later juniors from across Texas will invade the Reliant Center for the Houston Livestock Show & Rodeo Jr. Heifer Show. The Santa Gertrudis Jr. Show will be held on Saturday, March 19th and will be the second breed showing in the West Arena, so go out and support our Mid-Coast Junior members.

The month of April will prove to be a busy time for the juniors as the Norval and Anna Sells Mid-Coast Jr. Heifer Show and Annual Mid-Coast Jr. meeting will be held in Navasota on April 23rd to prepare for the 2011 National Jr. Santa Gertrudis Heifer Show in Athens. The preceding day, April 22nd will be the Annual Fajita Meal, also at the Grimes County Fairgrounds.

Each event does have a purpose, however may we also come together to treasure the friendships and memories, as well as, learn from each experience we encounter along the way. Let me end my letter as the FFA does their meetings, "As we mingle with others, let us be diligent in labor, just in our dealings, courteous to everyone, and above all, honest and fair in the game of life".

Regards,

*Cheryl Grainger*

## 2011 SGBI ANNUAL MEETING WORKSHOPS...

### ***“The Power of Advertising”***

Presented by Victoria Lambert

The owner of Caballo Rojo Publishing, Victoria Lambert, will present various aspects of the importance of strategic marketing and corresponding advertising. She will discuss everything from the importance of a marketing plan and advertising placement to how best to take photos and send in information to actually make the ad a finished product. Web, E-Blast and several other advertising vehicles will be addressed as well. A question and answer session will follow.

### ***“Beef, The Real Story is Your Story”***

Presented by  
The Texas Beef Leaders of Tomorrow

The Beef Check-off and scholarships provided by the Butler Foundation funds the Texas Beef Leaders of Tomorrow Program. Four young adults ages 18 and 19 years old will present opportunities for producers to become beef advocates. The Texas Beef Council and Texas Cattlewomen have trained these freshmen in college. Producers will be trained and encouraged to participate in the Masters of Beef Advocacy Program. “As the gap between consumers and agriculture widens, consumers have questions about how beef is raised. Farmers and ranchers like you can bridge that gap by answering questions and telling your personal story.” Program includes a 10-minute video and will conclude with a question and answer session.

### ***“Livestock and Equipment Theft Prevention”***

Presented by Texas and Southwestern Cattle Raiser’s Association  
Special Ranger Hal Dumas & Special Ranger Jimmy Belt

*The workshop will provide insight into practices to prevent and actions to take in case you’re a victim of theft. Special Ranger Hal Dumas is a Region 5 Supervisor with the Texas and Southwestern Cattle Raiser’s Association. Stationed in Franklin, Texas, he is responsible for the supervision and investigations in 42 counties in the Southeast quadrant of Texas.*

*Special Ranger Jimmy Belt is from District 23 with the Texas and Southwestern Cattle Raiser’s Association and is stationed in Daisetta, Texas. Belt is responsible for all criminal investigations in a 12 county area from Houston to the Louisiana border. The program will conclude with a question and answer session.*

### ***“Grilling”***

Presented by  
Roger Hall, Texas Beef Council

Savor the warm weather and create your own backyard escape! Grilling season is almost here and Grill Master Roger Hall will showcase a flavorful recipe on the grill that is easy, healthy and something the whole family will enjoy. He will discuss economical cuts of beef for the grill, and he’ll also provide tips to master the grill including grilling preparation, cook time and temperature, and how to utilize a meat thermometer.

Whether its steaks, burgers or kabobs, beef grilled to perfection turns an ordinary day into a backyard vacation! Come join Roger for a grilling demonstration and learn the tricks of the trade from the expert. Roger will also share a glimpse of the Texas Beef Checkoff-funded event marketing effort taking place for the Texas Beef Council.

***John Ford, SGBI Executive Director***

Day one on a new job can be stressful and a little worrisome. However, when I opened the mail, that was neatly stacked on my desk, any reservations I had about starting a new job quickly vanished. The first letter read was on Mid-Coast Santa Gertrudis letterhead and came from your president Cheryll Grainger. She kindly welcomed me to the SGBI family, on behalf of the Mid-Coast Affiliate, and provided a list of affiliate planned activities including the dates that they are to be held. However, it was the tone of the letter that I found so exciting. It was obvious that Cheryll takes great pride in the Mid-Coast Affiliate and the membership is an enthusiastic group that is passionate about promoting Santa Gertrudis. I hope that my schedule will allow me to visit the Mid-Coast Affiliate in the very near future. Thank you for the kind welcome.

As would be expected I am trying to familiarize myself with the day to day workings of the office. However, I have had the opportunity to visit Foreign Marketing Committee Chairman Robert Silva and discuss strategies for marketing Santa Gertrudis genetics in Mexico. It was a timely visit since the next day Dr. Poncho Ortega, Texas A&M Kingsville, Professor of Range Science, called and expressed an interest in partnering with SGBI on the development of a grazing management and heifer selection field day targeting Mexican cattlemen. This type of collaboration has great potential and I am looking forward to discussing this activity with our Marketing and Promotions Committees. I remain convinced that there are unlimited opportunities for marketing Santa Gertrudis genetics in Mexico.

Of course there are many opportunities here as well. Please read my column in the December issue of Santa Gertrudis USA. In it I share data on breed influence that I and Dr. Joe Paschal collected approximately 15 years ago. It supports what we know...Santa Gertrudis combine all the traits needed for performance and profitability. Thanks.

*-John -*

Nolan Dale Wunderlich, son of Peter and Kris Wunderlich was born January 24th, 2011 at 2:15 p.m. at St. Joseph's Regional Health Center in Bryan. He weighed 7 lbs., 8 oz. and was welcomed home by big brother Calvin.

Grandparents are Lonnie and Regina Rakowitz and Terry and Nancy Wunderlich. Great grandparents are Delton and Lois Wunderlich and Jerrie Boehme, as well as great, great grandmother Wilma Wunderlich.

Brett Wallace, son of Scott & Judy Wallace of Boling, entered his sculpture titled "Quick Draw" at the Houston Livestock Show and Rodeo School Art Contest this past month and took home Best In Show. This is the third year in a row that a sculpture of Brett's has been awarded Best in Show. The competition just gets tougher each year. The inspiration for this piece came as a result of being awarded the Western Art Academy Scholarship last summer in Kerrville. Students spent three weeks learning about western art and creating sculptures with a western theme. He had chosen a gunslinger and has already sold two copies of that piece. Brett's newest piece, "Quick Draw", will be on display at the Houston Livestock Show and Rodeo and will be up for consideration for Grand and Reserve Champion 3-D Sculpture on March 5th. Only five of the twelve pieces that received Best in Show will be considered for the art auction out of over 300 pieces submitted this
